NOTICE OF AVAILABILITY OF REVISED TEXT

INDIVIDUAL DISABILITY POLICY LOSS RATIO REGULATIONS

**RH-06092236
October 25, 2006**

On July 21, 2006, the Insurance Commissioner of the State of California (Commissioner) issued a Notice of Proposed Action, proposing the adoption of amendments to California Code of Regulations (“CCR”) Title 10, Chapter 5, Subchapter 2, Article 1.9 (“Standards for Determining Whether Benefits of an Individual Hospital, Medical or Surgical Policy Are Unreasonable In Relation to the Premium Charged Pursuant to Subdivision (c) of Section 10293”), concerning the loss ratio requirements for individual hospital, medical or surgical policies. The notice was published in the California Regulatory Notice Register on August 4, 2006. On September 19, 2006, the Commissioner held a public hearing and received oral testimony and written public comment in response to the Notice.

PUBLIC COMMENT INVITED ON REVISED TEXT:

As a result of the public testimony and comments, the Commissioner has proposed changes to sections 2222.11, 2222.12, and 2222.19 of the proposed amendments; this is in addition to the amendments to these and other sections of California Code of Regulations (“CCR”) Title 10, Chapter 5, Subchapter 2, Article 1.9 previously proposed on July 21, 2006. A copy of the changes, with the proposed changes clearly indicated, is enclosed with the mailed copies of this notice. Deletions from the prior proposed text are indicated in double strikethrough; additions are indicated in double underline. A copy of the changes, with the proposed changes clearly indicated, will be available for public inspection and comment for at least 15 days before the proposed regulation is adopted, amended, or repealed. This document may be inspected between the hours of 9:00 a.m. and 4:00 p.m., by arrangement with the contact person listed below, at the Department’s offices at 45 Fremont Street, 24th Floor, San Francisco, California 94105.

The Commissioner believes that the changes made are either nonsubstantial, solely grammatical in nature, or are sufficiently related to the original text that the public was adequately placed on notice that the change could result from the originally proposed regulatory action. Accordingly, pursuant to the provisions of California Government Code Section 11346.8(c), the Commissioner is soliciting written public comment on the changes. Comments submitted on unchanged portions of the proposed amendments will not be considered.

SUBMISSION OF WRITTEN COMMENTS:

All persons are invited to submit written comments on the proposed regulations **no later than 5:00 p.m. on November 9, 2006**. All written comments, whether submitted at the hearing, or by U.S. mail, or by e-mail or facsimile, must be received by the Insurance Commissioner, c/o the contact person at the address listed below, **no later than 5:00 p.m. on November 9, 2006**. Any written materials received after that time will not be considered.
